In the Court of the District Magistrate
Shimoga District, Shimoga.

Dated 4th June 1924 Cr.Mis.No.23/23-24.

Present:- A.K.Syed Taj Peeran,Esquire,B.A.,
District Magistrate, Shimoga District,
Shimoga.

Petitioner.

Bilwaderacoppada Patel Rudrappa, resident of Aynur, through Mr.T.G. Narayana Iyengar,B.A.,B.L.,Advocate, Shimoga.

vs.

Opponents.

Siddappa son of Basappa alais Sanna Rudrappa of Siddapur, Hiriyur Magani,Shimoga Taluk.

This is a petition for transfer under sec 528 of the Cr.P&C of a criminal miscellaneous case No.2 of 23-24 on the file of the Assistant Commissioner, Tirthahalli Sub Division to the file of any other court of competant jurisdiction on the apprehension that a fair and impartial trial would not be had in the said court.

Perused the records and the explanation of the First Class Magistrat (Mr. Sunder Raja Iyengar) who, in his explanation submitted for the second time after his attention was drawn to the allegations contained in the application of transfer, admits having used ' harsh ~~xxxxx~~ language in the Court' towards the petitioner when the latter urged for granting an adjournment t enable him for moving for a transfer.

I believe that under the circumstances the petitioner has reasonable grounds to apprehend a miscarriage of justice and I consider tha the magistrate was not justified in using such language in open Court.

The case is transferred to the file of the Treasury Assistant Commissioner's Court,for disposal according to law.

Submitted to the Deputy Commissioner. I have enclosed herein the entire records bearing on the case for your kind perusal. A glance at the order sheet will showthat the first party patel Rudrappa is not very anxious thatthe Court should proceed with the case, but is finding out excuses for adjournmentson the last day of adjournment i.e., 3-4-1924, he was present along with some of his witnesses.His counsel Mr.T.G.Narayana Iyengar was absent.As the witnesses were present I told him, I would examine them myself. He objected to it.Then I told him that he did not seem to me to be anxious that I should proceed with the case .Thereupon he produced transfer application before me which was written out for him by his counsel and wanted time. I told him that that would be the last adjournment that I would grant.

His fears that a fair and impartial enquiry cannot be had in the court of original jurisdiction was absolutely groundless. In fact O.S. 1of 1921-22 in which he was a defendent for the Patell of Veeragara Bhairana Koppa as against the plaintiffs was decided by me in his favour. That case has been remanded again for disposal on merits by the Revenue Commissioner. It is a fact as alleged in the petition that he has been punished under the Village Officers Regulation for misconduct as Patel. That need not make him think that an impartial enquiry cannot be had here. The records may be returned early so that the casemay be proceeded with on the 27th instant, against which date summons have been issued to Rudrappas witnesses.

SD.N.S.under Raja Iyengar,
First Class Magistrate.

Memo No.25 of 23-24 dated the 16th May 1924 from the District Magistrate Shimoga, to the Sub Division Assistant Commissioner, Tirthhalli Sub Dn,.

The attention of the Assistant Commissioner and First Class Magistrate, Tirthhalli Sub Division, is drawn to the following points stated in the affidavit presented with the application of transfer by Mr.T.G. Narayana Iyengar , Advocate for the petitioner, Rudrappa.

(1)Abusing the petitioner in the presence of several people.

(2)Abusing him in the court in connection with the case. Since he is silent on these points the entire records are herewith returned for resubmission with the explanation on the above points on or before the 3rd June 1924 to which date the case stands adjourned.

SD. B.Seetha Ramaiah,
For District Magistrate.

J.C.44 of 23-24

Submitted to the Deputy commissioner. I should have thought that my explanation was quite clear and convincing . I did use some harsh words to bring Rudrappa to his senses, when he presented a transfer application which was absolutely unnecessary and which unnecessarily delayed my proceeding with the case . The records are herewith returned for perusal and return.

Sub Division Officer,
